Secretary Haywood, of the Miners
Knocks the Captain of Company
Down.

MOTHER JONES RESCUED.

Denver, April 21.—President
Moyer of the Western federation of
miners, arrived in Denver today un-
der guard. The party had barely left
the train when a riot started. Sec-
retary Haywood, of the Federation,
grasped Moyer's hand, when Capt.
Wells advanced in a threatening man-
ner. Haywood knocked Wells down
and two soldiers attacked Haywood.
Haywood was then taken to the
Oxford hotel, where the trouble
broke out afresh.

Haywood knocked two of the sol-
diers down and was then bayoneted
and clubbed with muskets until
insensible. When the police arrived
the soldiers refused to surrender Hay-
wood.

RESCUED MOTHER JONES.

Salt Lake, Utah, April 21.—Italian
strikers encamped near the Castlegate
Coal mines after rescuing "Mother"
Jones from the small-pox quarantine
attempted to tear down the post house
but was driven off by armed guards.

BANK CASE

**ARGUMENTS TO BE MADE BE-
FORE CIRCUIT JUDGE TO-
MORROW.**

Louisville, Ky., April 21.—Judge
Muir will hear arguments tomorrow
on the suit of Auditor's Agent Lucas
against the Bank of Commerce to col-
lect back taxes on deposits. The case
is on appeal from Judge Gregory's
court and whichever way Judge Muir
decides it will be taken to the court of
appeals, as it is an agreed case to try
out the points of law. It is hoped to
get a decision of the court of appeals
in a short time. Judge Gregory's de-
cision was against the auditor's agent.

Pekin, April 21.—The picture of the
dowager empress which will be ex-
hibited at the St. Louis exposition,

THE RATS FLOODED A BIG COAL MINE

**Miners Escaped the Flood Just
in Time.**

Bryan to Tell What He Thinks of
the New York Platform Sat-
urday Night.

\$50,000 STOLEN BY ROBBERS

Carbondale, Ill., April 21.—The old
Equality Coal mine was flooded yes-
terday by muskrats burrowing around
the shaft and the bank of the Saline
river, and one hundred miners had a
narrow escape from drowning. The
men were at work when the alarm was
given that water was pouring into the
mines. Immediately they crowded
into the hoists and by the time the
last man was taken out they were
standing in water up to their necks.
It is estimated that it will take nearly
a week to pump out the mine.

FELL NINE STORIES.

New York, April 21.—R. R. Hartz-
berg, dramatic editor of the Evening
Journal, was fatally injured early by
falling nine stories into an arca-way in
the Morton building. Hertzberg had
been playing billiards at the press
club and shortly after he had started
for home his almost lifeless body was
found in the basement. It is supposed
that while coming down the stairs he
leaned over the balustrade and lost his
balance. Hertzberg was 35 years old
and unmarried. He came to New
York recently from New Orleans.

BRYAN TO TALK SOME MORE.

Lincoln, Neb., April 21.—William
J. Bryan announces that he will de-
liver a political address at the Prince-
cess Rink in Chicago Saturday night
on "The New York Platform," the
platform referred to being the one
adopted by the New York Democrats
recently. There will be reserved seats
for ministers and newspaper men.
Otherwise seats will be free.

Mr. Bryan says he will pay the hall
rent and all expenses. This will be his
declaration as to platform and a presi-
dential candidate.

ROBBERS GET \$50,000.

Tiflis, Caucasus, April 21.—A train
on the Trans-Caucasian railway was held
up between Novo Senaki and Abascha
by four armed men, who forced the
mail car, and after binding the offi-
cials, escaped with registered letters
and valuables worth \$50,000.

RIES BEAUTIFUL WIDOW

Lovell and Mrs. Cammie Mitchell
Alva, were married here last night at
the study of the pastor of the Cumber-
land Presbyterian church at 6:30
o'clock by Rev. McCleskey, and left
immediately for Memphis to spend a
few days.

The wedding was a complete sur-
prise. Mr. Lovell is private secre-
tary to Congressman James, and man-
aging editor of the Fulton Leader, and
a well known young Democratic poli-
tician. His bride is the daughter of
A. T. Mitchell and formerly resided
in Mt. Sterling, Ky. She is consid-
ered one of the most beautiful young

CHANGE OF VENUE ORDERED TODAY

**Sheriff Holland Not to be Tried
in Calloway County.**

The Noted Murder Case May be
Tried in McCracken County
in a Few Days.

ARGUMENT ENDED TODAY

Sheriff Lee D. Potter has returned
from Murray where he went to hear
the argument for a change of venue in
the Walter Holland murder case. The
entire community seemed to be inter-
ested in the case, and the general ex-
pression was favorable to trying the
case either here or in Marshall county.

Holland is sheriff at Murray and
shot and killed Hardy Keys at Murray
and in February one year ago. He is
represented by Attorneys Garnett and
Coleman and several other well known
attorneys while the prosecution is be-
ing conducted by Commonwealth At-
torney Denny Smith, Sam Crossland,
William Reed and Judge Simms, of
Caddis.

The argument was begun yesterday
morning and extended over until this
morning.

At the conclusion of the argument
this afternoon a change of venue was
granted, but the court did not say
where the case would be sent for trial.

The motion to change was one of
the most unusual on record. The
commonwealth asked a change of
venue on the ground that the Sheriff
had so many friends in Calloway, and
that the tragedy had stirred up such a
state of feeling that it would be im-
possible to get a fair trial.

Judging from reports the sentiment
has largely been with the sheriff in
the affair. The commonwealth does
not want the case tried in any of
the counties in that judicial district.
It may be ordered to Marshall or Mc-
Cracken.

INDIANS LEAVE

**Will Cross Bats With the Hoosier
Boys.**

Bradic Signed By Manager Ray to
Play Regularly.

The local K. I. T. League baseball
team will leave tomorrow on the
Evansville packet for that city to
begin a series of three games at
Evansville. The team will arrive
Saturday morning in Evansville and
will play Saturday, Sunday and Mon-
day. They are in good shape and
hope to take all three games.

Bradic was this morning signed
with the local team and will be a
regular pitcher on the staff. He has
just as good curves and speed as any
on the team, it is said, and will no
doubt make a record this year, his
first year out in professional ball.

The Paducah team opens a series of
three games at Evansville next Mon-
day. Paducah is the only team in
the Kitty league that is playing regu-
larly and the early practice will
come into good play when the season
opens. Paducah by her victories
seems to have a very good team and
one that will bear watching.

Burt Taffe of Mt. Carmel, Ind., a
catcher highly recommended by
"King" Brockett, and Jack Kiler, a
midget outfielder, of Evansville, have
been signed by the Hopkinsville man-
agement.

THE AIR CAR HERE.

Today at noon the "air car" of the
I. C. road arrived and this afternoon
air apparatus is being tested here.
This car goes all over the system and
all appliances relating to air are test-
ed. The car is in charge of experts
who will require about two days time
to finish work here, it is estimated.

DEATH CLAIMED CAPT. LINAH COBB

**Veteran River Man Succumbs
to a Complication.**

Was a Native of Lyon County and Had
Lived in Paducah for Many
Years.

NO FUNERAL ARRANGEMENTS

Capt. Linah Cobb, a well known
river man, died this morning at 9:15
o'clock in this city, of a complication
of diseases. His principal trouble
was an affection of the bladder but
facial erysipelas in a malignant form
had developed recently. He had been
ill about two months and seriously so
about three weeks.

Capt. Cobb was 66 years of age and
was born in Eddyville, Lyon county,
Ky., descending from some of the
oldest settlers of that historic old
town. He was the second son of Mr.
R. L. Cobb, a banker of Eddyville.
He served for a while in the Con-
federate army, and came to Paducah
at the close of the war. He had lived
in this city ever since, except for a
short while spent recently at Clay
Switch, with the Cooley Construc-
tion Co. He was a steamboat clerk
for many years on various steamers
coming to this port. He was an ex-
pert accountant, which qualified him
especially for this work. He was
especially popular in river circles and
had a warm spot in the hearts of all
who knew him.

Capt. Cobb was never married.
He left one sister, Mrs. B. A. James,
of Evansville, Ind., and a brother,
Major R. L. Cobb, of Wichita Falls,
Texas. He was also a brother of the
late Capt. Joshua Cobb, of this city,
and left many relatives in Paducah.

No funeral arrangements have been
made, but the remains will be carried
to Eddyville, for burial.

tempt to bottle up Port Arthur harbor
tonight.

ports that the Russian garrison and
population of Vladivostok, Siberia, is

of the squadron, in his order con-
cerning the death of Admiral Mak-
noff, says: "We have made a heavy
sacrifice by the loss of our admiral.
We shall, however, not lose our spirits.
We trust in the Lord and will never
be ashamed of Russia."

BALTIC SQUADRON TO GO.

St. Petersburg, April 21.—As a re-
sult of an opinion expressed by Skry-
dloff, the new naval commander, it is
definitely decided to send the Russian
squadron in the Baltic sea to the far
east. Admiral Skrydloff plans to
combine all the Russian fleets and if
possible clear both the Pacific and the
Yellow sea of the Japanese vessels by
a combined effort.

RUSSIAN PERSECUTION.

Berlin, April 21.—The Frankfurter
Zeitung prints a dispatch from a Man-
churian correspondent, reporting that
a bitter anti-American feeling is pre-
valent throughout that section of the
Chinese domain. The feeling is so
strong that the lives of Americans are
endangered. Russians, he continues,
are persecuting Americans who
failed to flee before hostilities were
thoroughly underway between the
Russian and Japanese there. There
is a similar feeling against the English
and the persecution of Jews in Man-
churia is also hot.

THE CITY LOSES

**Tax Bills Should Have Been
Published Last Fall.**

**Court of Appeals Reversed the Man-
damus Suit Against the Mayor.**

The Court of Appeals today at
Frankfort reversed the judgment of
the McCracken circuit court in the
case of the Register Newspaper Co.
against the City of Paducah and D.
A. Yeiser, mayor, asking a mandamus
against the mayor to secure for pub-
lication a copy of the tax bills.

The suit was the result of refusal
last fall of the city to turn over to the
official newspaper the tax bills for
that portion of the city taxes then
due. It was the contention of the
newspaper that the city should
publish the bills twice a year, and
Mayor Yeiser and the boards took the
position that the city was not re-
quired to publish them but once, and
refused to furnish the official paper
with a certified copy of the list.

The mandamus suit was brought
by Hendrick & Miller of the Register,
and Judge Hubsands decided in cir-
cuit court that the city did not have
to publish the tax list, or bills but
once a year and an appeal was
taken.

Judge Paynter wrote the decision
rendered today reversing the Mc-
Cracken circuit court and orders the
list published.

Dr. H. Hessig has gone to Louisville
on business.

THE STREET LIGHTS REACH THE LIMIT

**No More Can be Established at
Present Plant.**

Board of Public Works Hold Regular
Meeting—Matters Con-
sidered.

BOND QUESTION DISCUSSED.

The Board of Public Works met
last night at the City Hall but did not
do much, as it has already considered
most of the matters on hand and dis-
posed of them. The bond matter was
discussed, but nothing done. The
Board of Public Works, according to
the understanding of the law, is not
to have anything to do with the street
paving until after the general council
has issued and floated the bonds, and
the street reconstruction has been
ordered by ordinance. Then the
Board of Public Works will take
charge and let the contract and have
complete control thereafter.

There are to be \$300,000 in bonds
issued, instead of \$150,000, as gen-
erally believed. \$150,000 is for street
improvements, and \$50,000 for a new
market house and city hospital.

The flush tanks to be put in at Fifth
and Broadway and back of the new
telephone office in preparing for the
storm water sewerage will be placed
by Contractor Ed Hannon, who was
the only bidder.

It was decided to go ahead with
the surface or storm water sewerage
from Fifth to Sixth on Broadway at
once, and have it completed as soon
as possible.

The superintendent of the light
plant reported that the plant is now
taxed to its greatest capacity in fur-
nishing city lights, and consequently
no new lights will be placed in this
year. The board intends, however,
to install machinery for furnishing
the city incandescent lights as soon as
possible.

The city engineer was instructed to
prepare a map of the city showing the
location of every city street light,
and the circuit on which it is placed,
and in this way it can be determined
by watching closely the reports of
police officers and others, where all
the trouble is when there is any, and
what part of the system needs
strengthening.

A number of matters are to be re-
ferred to the Board by the general
council, but not until after the meet-
ing of the Board of Aldermen this
evening.

HIGH AND DRY

**The Steamer Charleston Left on
the Bank.**

**Will Have to Be Launched Should
There Not be a Heavy Rise.**

The Charleston is beached below
the ice factory here and the efforts of
the steamer Clyde to pull her off the
bar last night were of no avail.

The Charleston was laying up wait-
ing for repairs and the watchman be-
came ill. He had no one to aid him
in poling the boat out and keeping it
afloat properly, and it was left by the
receding waters on the bank.

The Clyde was secured last night
and attempts made to get her off, but
were unsuccessful. The boat will be
launched, or if the owners decide to
put a new hull under her, which they
are considering, she will be left on
the bank. It was not the intention to
beach her.
